[Shella\\_B\\_Cherry@mcpsmd.org](mailto:Shella_B_Cherry@mcpsmd.org)

**MoCo Students for Change** - Montgomery County Students for Change was founded by a group of students from various schools across Montgomery County – both private and public – in the wake of the massacre at Stoneman Douglas high school in Parkland, FL. Originally founded in support of the student-led movement against gun violence, we have since built upon our platform to uplift the voices of MoCo students surrounding various intersecting issues.

**Daniel Suh**, President
